

Name: _____

Grinch Heart Peeps Candy Experiment

What do you think will happen when you leave candy hearts soaking in liquids over night?

Supplies:

- Plastic Cups
- Three Heart Peeps Candies
- Vinegar
- Olive Oil
- Lemon Juice

Steps:

- Place one heart in each cup 2/3 filled with one of each liquid.
- Leave them in the cups for 24 hours.

What do you think happened?

Draw what you see in each cup at the beginning and end of the experiment.
